While had to delay it while waiting for Metal 2, once it arrived it easily took its place as one of the best and most innovative shooters on the platform.. In Deus Ex, you can use the RPG-like system of augmentations to gradually evolve your character to suit your playing style.. Borderlands 2 benchmark results (in FPS) Testing Conditions: We tested the game using Medium settings, 2X Anisotropic Filtering, FXAA, and 1280x800 resolution: Can your Mac run it? Taking into account that even our 2013 13-inch MacBook Pro handled the game just fine, most Macs from 2013 onwards should be able to handle it.
